RE: Address Change

Dear Ms. Trotter:

The purpose of this letter is to notify you regarding the correct street address for your property in accordance with the Howard County Street Address Grid System.

The county's 9-1-1 center and the county's mapping (GIS) division are in the process of verifying every address in the county. When this process is completed, and you have the need to call 9-1-1, your property will be "pinpointed" on a dispatcher's computer screen. This will help expedite delivery of emergency services to you should the need arise.

It has been found that state tax assessments and the post office are not using the correct street name for your property. We regret any inconvenience this may cause, but we must change the address as follows.

OLD/INCORRECT ADDRESS:	7771 Old Jessup Rd
NEW/CORRECTED ADDRESS:	7771 Waterloo Rd Map 0043, Grid 0021, Parcel 0102 Tax Account # 01-179357

RE: Address Change

Dear Mr. Prioleau:

The purpose of this letter is to notify you regarding the correct street address for your property in accordance with the Howard County Street Address Grid System.

We have been advised by State Tax Assessments that you are using an incorrect address. The house number you are using is an odd number on the even numbered side of the street. With concurrence of Richard Jordan, the county's address coordinator in 9-1-1, the address of your lot is being changed as shown below. We regret any inconvenience this may cause.

OLD/INCORRECT ADDRESS:	7465 Cedar Grove Lane
NEW/CORRECTED ADDRESS:	7464 Cedar Grove Lane Map 0043, Grid 0003, Parcel 0347, Lot 125 Tax Account # 01-300091

This address change will take effect **SEPTEMBER 6, 2016.** The Department of Planning and Zoning will notify the agencies as copied below.

It is essential that you use the "corrected address" so that emergency response of fire, police and medical services to your location will not be inhibited. The County bases responses according to street addresses.

(over)

In accordance with Section 16.400 of the Howard County Code, "Street Names and House Numbers," all buildings (commercial and residential) must have the correct street address displayed in a conspicuous place over or near the principal entrance. The numbers must be easily legible figures not less than three inches (3") high for residential, six inches (6") high for commercial, and in a color contrasting with their background. The Department of Fire & Rescue Services recommends reflective numbers.

If you have any questions, please contact Richard Jordan at rjordan@howardcountymd.gov

RE: Address Change

Dear Mr. and Mrs. Wilcox:

The purpose of this letter is to notify you regarding a change in the address for your property in accordance with the Howard County Street Address Grid System.

We have been advised by the State Highway Administration that your access onto Maryland Route 32 will be terminated in the near future. With concurrence of Richard Jordan, the county's address coordinator in 9-1-1, the address of your parcel is being changed to match your new access. We regret any inconvenience this may cause.

OLD/INCORRECT ADDRESS:	2825 Route 32
NEW/CORRECTED ADDRESS:	2674 Wellworth Way Map 0015, Grid 0017, Parcel 0125 Tax Account # 03-298698

This address change will take effect **SEPTEMBER 1, 2016.** The Department of Planning and Zoning will notify the agencies as copied below.

It is essential that you use the "corrected address" so that emergency response of fire, police and medical services to your location will not be inhibited. The County bases responses according to street addresses.

RE: Address Change

Dear Mr. Sehgal:

The purpose of this letter is to **CONFIRM** the correct street address for your property in accordance with the Howard County Street Address Grid System.

The county's 9-1-1 center and the county's mapping (GIS) division are in the process of verifying every address in the county. When this process is completed, and you have the need to call 9-1-1, your property will be "pinpointed" on a dispatcher's computer screen. This will help expedite delivery of emergency services to you should the need arise.

You brought to our attention that tax records indicate and incorrect address for two of your properties in North Laurel. We wish to correct these errors as shown below.

OLD/INCORRECT ADDRESS:	10081 Washington Blvd
NEW/CORRECTED ADDRESS:	10081 North Second Street Map 0050, Grid 0010, Parcel 0459 Tax Account # 06-412009
OLD/INCORRECT ADDRESS:	10091 Route 1
NEW/CORRECTED ADDRESS:	10091 North Second Street Map 0050, Grid 0010, Parcel 0383 Tax Account # 06-393438

These address changes will take effect **UPON RECEIPT OF THIS LETTER.** The Department of Planning and Zoning will notify the agencies as copied below.

It is essential that you use the "corrected address" so that emergency response of fire, police and medical services to your location will not be inhibited. The County bases responses according to street addresses.
