RE: Newly designated Primary Stroke Center in Region II

Please be advised that effective immediately, Frederick Memorial Hospital in Frederick, Maryland is designated as a Primary Stroke Center and is accepting stroke patients that meet the criteria for transport to a Primary Stroke Center as directed by the Maryland Medical Protocols for EMS Providers.

Please post this notice and communicate this information to all appropriate EMS providers. If you need any further information, please contact my office at 410-706-0880 or Mary Beachley in the Office of Hospital Programs at 410-706-3932.
