SUBJECT: Ridge Road Shop

APPLICABILITY: All Personnel

1. The Ridge Road Maintenance Shop will open at 07:00 hrs. Monday, April 12, 2010.
2. The site is shared with the Board of Education and is also a County fuel site.
3. DFRS apparatus normally repaired at the Dayton Shop will now be repaired at Ridge Road.
4. The Fleet Division will continue to coordinate repairs at this facility.
 - 4.1. Firefighter Michael Hitt will have a presence and desk at Ridge Road. His direct line at the shop is 410-313-1173. He will also monitor **ALPHA 6** on the fire radio system.
 - 4.2. Direct contact to the shop should not be made.
 - 4.3. Until the shop is at 100% capacity some repairs may be limited. Fleet personnel will assist with issues relating to the capacity.
5. The county portion of the facility can be accessed from two gates via Ellicott Center Drive.
 - 5.1. Both gates will be open during normal business hours.
 - 5.2. The gates will be locked after hours and can be accessed as follows:
 - 5.2.1. Upper gate via key lock (key in Knox Box).
 - 5.2.2. Lower gate via key card access.
6. DFRS access to the site shall be as follows:
 - 6.1. Vehicles with a Gross Vehicle Weight Rating (GVWR) greater than or equal to 15,000 lbs. shall use the upper gate only, **no exceptions**.
 - 6.1.1. The lower gate presents significant issues to our larger vehicles due to the angle of entry/departure.
 - 6.1.2. A designated driving (fire) lane will be in place via this gate (See Attachment A- Bold Blue line).
