**SUBJECT: Staff Radio Identifiers (ID) Updates**

**APPLICABILITY: All Personnel**

1. Effective, April 14 2011, radio re-banding will begin for all staff radios.
2. With re-banding new Staff Radio Identifiers (ID) will become effective (detailed in Attachment A).
3. The new identifiers align each individual to their respective Bureau Chief through a common numbering scheme that also includes a Section Title as a prefix (Fleet, Training, etc.)
  - 3.1. Radio ID's have been supplied for all staff positions, even though some are not filled or do not have assigned radios.
4. The attachment includes the **New Unit ID, Unit Spoken ID and the iMobile Log-In ID.**
5. A daily update will be provided to all personnel noting the radios with new ID's and those remaining to be changed. This will be continued until the re-banding is complete.
